'... I find myself leaving the night with a better idea of what intimacy is and how to engage with that aspect of my life ... I appreciate you creating a space for us to explore the landscape of human connection, while you teach us to listen to our body, get in touch with our intuition, and accept all parts of ourselves. Thanks again.' ~ Nick

'... I am just so grateful to be able to experience an evening like that. ...It was a wonderful experience and exactly what I have been looking for.' ~ Megan
